

## **The Township of North Glengarry 2021 Community Grant Program**

### **Introduction / Policy Statement:**

In accordance with its official plan, the Township of North Glengarry (the Township) wishes to promote a varied and rich quality of life for all its residents and visitors. At times, community groups and organizations in North Glengarry need financial assistance to support community-based special projects or events.

The Community Grant Policy has been created to provide limited financial assistance to community groups and not-for-profit organizations within the Township to assist with various activities. This support is in recognition of the value of these groups to the well-being and growth of the community and is to help the municipality retain a strong community focus.

This policy and related forms, is meant to streamline processing of grant requests and to ensure that any funds are distributed in an open, fair and accountable process and to the best benefit of the community.

### **Funding Options:**

Each year, as part of the annual budget process, Council will determine a financial commitment to the "Community Grant Program". This money, up to a maximum of \$3,500 per eligible organization, will be available for direct community grants.

In addition to direct community grants, Council will also establish a budget for in-kind support and reserves the right to limit the value of said support to \$2,500 per eligible organization. In-kind support may consist of the use of municipal property at reduced or no cost, municipal staff support, loan of equipment or material. In-kind support is calculated according to the Township of North Glengarry's User Fees and Charges By-Law and the Ontario Provincial Standard Specification's Schedule of Rental Rates.

Prior to submitting an application to the Community Grant Program that contains a request for in-kind support, a mandatory consultation meeting is required with the North Glengarry Departments responsible for providing said in-kind support. Please contact the Recreation Department at 613-551-2612, or the Public Works Department at 613-525-3087, to set-up a pre-application meeting to discuss the required in-kind support request.
