

R.A.R.E. IS GOING DUAL-STREAM

The first Containers week starts: **January 14, 2019**
IMPORTANT changes to your recycling collection.

Keep your "Containers" separate from your "Fiber Products" as outlined below.

Containers Week (place these materials in your recycling box on containers week)

Plastic Containers

- R.A.R.E. accepts plastics **#1, #2, #4, #5, #7**.
- All food and beverage containers.
- Bakery trays, cookie trays, fresh fruit containers.
- Detergent, shampoo, conditioner, cleaning agent bottles.
- Flower pots numbered **#4, #5, #7**.

- ✗ No Tupperware-type containers that are not numbered.
- ✗ No clothes hangers in plastic or metal.
- ✗ No straws or utensils in plastic or metal.
- ✗ No solvent/pesticide/motor oil/paint containers.

Metal Containers

- Aluminum beverage cans.
- Metal/Tin food, beverage and pet food cans.
- Pie plates & aluminum foil, please rinse.
- Aerosol cans.

- ✗ No butane or propane cylinders.
- ✗ No pots and pans or cookware of any type.

Glass Containers

- Clear and coloured glass that contained drinkable and edible products only.
- If possible, residents can bring their glass containers directly to R.A.R.E. It avoids crushing glass material in the recycling trucks.

- ✗ No windows, drinking glasses or other forms of glass.

Milk & Juice Cartons

- Rinse your milk and juice cartons.

- ✗ No aseptic containers such as children's juice boxes and broth containers.

Plastic Film

- ✗ No grocery bags, dry-cleaning bags, bread bags, chip bags, cheese wrappers, milk bags, stretch wrap, zip lock bags or cereal box liners.

Recycle the package, not the product. Please rinse all your containers.
