#### **Congratulations to North Glengarry's Evening of Excellence Winners!**

This past month, our vibrant community came together for an unforgettable evening of celebration, connection, and recognition. The event kicked off with a lively cocktail hour, followed by warm and inspiring welcoming remarks from both Mayor MacDonald and our local MP, Eric Duncan.

Guests enjoyed a delicious

buffet dinner catered by Doctor George's Kitchen, setting the stage for a night filled with reflection and celebration. A special presentation showcased the incredible growth and success our community has reached over the past year.

The highlight of the evening was the presentation of nine awards to well-deserving recipients whose dedication and impact continue to build our community.

We extend our thanks to everyone who attended. Your presence and support are what make our community thrive!
