Council Highlights

Trillium Grant Application

Council of the Township of North Glengarry approved staff to apply for the Ontario Trillium Foundation Capital Grant Stream for the refurbishment of the Glengarry Sports Palace's Community Hall Bathrooms up to the maximum amount of \$200,000.00 with an additional \$48,000.00 to be funded by the municipality through the Working Reserves.

HGMH Pool Opening

During the summer of 2023, the Township of North Glengarry ("Township") and the Hôpital Glengarry Memorial Hospital ("HGMH") announced a partnership to work on the reopening of the HGMH Pool to the public. Over the last months, staff from both organizations worked closely together on admission specifications and lifeguarding requirements to conform with the Eastern Ontario Health Unit's regulations. As part of a gradual start, the pool will open for public swimming as of March 5th, 2024, on two weekday evenings, Tuesdays, and Fridays, and on Saturdays.

Road Widening Approved

Council approved the presented road widening applications for both Mechanic Street East (Maxville) and Bureau Road (Alexandria). These applications are in follow up to severance applications which were conditionally approved in 2023. The requirement for road widening is often imposed where the adjacent road does not meet the minimum standard width, and transfers title of designated lands to the Township to allow for future road widening construction.
